

ZANZIBAR

Zanzibar

The very name brings to mind intrigue, adventure on the high seas and tales of pirates and traders. Today, the "Spice Island" retains all of its romance and mystery and combines it with a collection of boutique accommodation that make it a perfect place to unwind and relax. The maze of narrow streets lined with old houses and remarkably intricate carved doors draws visitors to the Old Stone Town. A walk through the alleys and then through the bustling souk transports visitors back in time and 19th century explorers like Livingstone, Stanley, Burton and Grant come alive. Throughout the island, the unmistakable scent of cloves reminds you of how Zanzibar became known as the "spice island."

Tucked along the shore you will find stunning beaches with pampering resorts where the hustle and bustle of every day life fade away and relaxation becomes the priority of the day.

Getting There

By Air from overseas

Zanzibar is reachable from Europe by charter flights and by connecting through Nairobi or Dar es Salaam.

H. 500 (A. D. 1107) by Sheikh Seyyid Abi Amran, who appears to have been a local ruler. Outside the mosque is a well and graves of Sheriffs (descendants of the Prophet). You will then proceed to a small fishing village where you will be taken for a boat ride (in a motorized local boat) in search of dolphins (85% chance). Lunch will be served at Kizimkazi. - TOUR CODE ZNZ6701

You will then board the dhow and set off to explore the bay and find the dolphins (85% chance). This tour also includes snorkeling and lunch on Small Island or a sand bank. After lunch there is an opportunity to join an experienced crew and sail on an "ngalawa" or outrigger canoe made by hand from a single mango tree. SUNSET DHOW CRUISE

SUNSET DHOW CRUISE

The sounds of the bustle of busy people in Stone Town grow faint in the distance until they seem only a memory. Music takes over, the sounds of taarab, songs of love and loss, on violin and oud, as your guide serves canapés and keeps your glass topped up with your choice of beers, wine, cocktails or sodas, encouraging you to sink back into the cushions and enjoy the romance of Africa while watching the scenery drift by.

Onboard our dhow you are provided a personal guide who will accompany you on your cruise and give you a tour of Stone Town from the water as well as be able to answer any questions that you may have for him. Then, as the sun sinks into the horizon of the Indian Ocean, gentle breezes guide the dhow back to shore. - TOUR CODE ZNZ6705

PEMBA AND MAFIA ISLANDS

Pemba Island

The second largest island of the Zanzibar archipelago is Pemba Island. To the north of the main island, it is a very popular spot for SCUBA enthusiasts and birders. The reefs are spectacular and there are more than 250 species of birds spotted in the Ngezi Forest and other areas on the island. The island is only accessible by air on a regular basis with daily scheduled flights. Flights are from Arusha, Dar es Salaam and Zanzibar.

Mafia Island

To the south of Zanzibar lies the remote island of Mafia. This is a place that time has forgotten. Relaxation is the main item on the menu along with the fresh catch of the day, direct from the fishing boats to the kitchen. The fish you have for dinner here was probably swimming as you were having lunch. The island is only accessible by air with daily scheduled flights. Flights are from Arusha, Dar es Salaam and Zanzibar.
